Going In Fearlessly to Serve
60 Minutes Over 60 Days
Thru August 19, 2007

We are challenging our congregation to find a way to serve others, either through a local non-profit, local service agency, local school, local nursing home, or through whatever means you can find. I Corinthians 9:22 states: "To the weak I became weak, to win the weak. I have become all things to all men so that by all possible means I might save some." Go forth to "save some" as you find your way to serve and then after the sixty days are up, share with us your experiences. This will be a thoroughly rewarding experience for you!

*Please turn in to the church office or offering plate.

Mission Trip

This year's mission trip is the 2nd week of July, we will be participating in light work as we minister to the people of New Orleans. If you would like to participate in this trip you can do so in several ways. First, you can volunteer to go physically. Second, you can support us financially. Third, most importantly you can support us with your prayers. Please contact Jared for more details.

THANK YOU'S

I would like to send out a BIG Thank You to all who helped with VBS! Your help, prayers, and donations made it a success. Most importantly we were able to minister to and impact the lives of children.

Thanks!

Angie

Fellowship Supper Groups

One of the best ways to get to know someone better is to share a meal. To help facilitate this we are offering you the opportunity to sign up for fellowship supper groups. Here's how it will work: After everyone has signed up you will be split into supper groups. The groups will meet once a month to share in a time of fellowship and supper (or breakfast or lunch). For each month a different family will host the group. By being the host you are only responsible for coordinating the group. You might invite your group to your house and cook everything, or you could do a covered dish asking different families to bring different items, even still you could choose a restaurant and everyone could come Dutch treat, the possibilities are endless. Then after the rotation is complete we'll allow others to sign up and reshuffle the groups.

These groups are wonderful for several reasons. First, it allows us to get to know each other better as a church family, strengthening the bonds of unity. Second, these groups are an excellent opportunity to assimilate visitors and new members into the loving family we know as FUMC, Hazlehurst.

To sign up call the church office or email Jared at middletonjared@gmail.com.
